THREE HURT IN TWO-CAR CRASH ON YORK STREET

Three persons were injured, none seriously, when two cars collided Saturday morning just outside the borough line near the Rock Creek bridge on York St.

The crash was one of two investigated by local police Saturday. The other accident occurred at 5 o'clock Saturday night on Buford Ave. In both crashes cars traveling in the same direction collided.

Borough police said L. C. Hamme, 121 Baltimore St., one of the borough's special policemen and head of the repair department for Warren Chevrolet, was driving the car of William Kneppshild, 532 W. Middle St., west on York St. planning to take Mr. Kneppshild to his home and then return with the car to the garage to make repairs.

Three Receive Treatment
A truck made a turn into the Cities Service gasoline station and Hamme slowed the Kneppshild car to allow the truck to complete its turn.

At that moment, police said, a vehicle also being driven west on York St. by Lewis F. Ankney, New Oxford R. 2, hit the rear of the Kneppshild auto.

Both Kneppshild and Hamme suffered strained necks from the impact. Ankney's daughter, Wilma, aged four, suffered contusions of the legs and a bruised chest. J. Luther Wisler, driving past the scene, took the Ankney child to the hospital and Borough Policeman Charles W. Culp Jr., investigating the accident, took Hamme and Kneppshild to the hospital. All were treated and discharged.

Total Of \$1,150 Damage
Damage was estimated at \$350 to the Ankney car and \$400 to the Kneppshild vehicle.

Damage totaled about \$400 in the crash Saturday evening. Police said Edgar P. Wine, Greencastle, traveling west on Buford Ave., struck the rear of a car operated west by Allen C. Witherow, Gettysburg R. 4.

Police said the crash occurred when Witherow pulled out from a service station and headed west, just as Wine passed another car, also headed west. Damage was estimated at \$200 to each car.

Settlement of the trespass action brought by Harold F. George F. and Edna Elmira Weaver, Gettysburg R. 4, against Donald E. Runkle and Buch Express, York, for \$4,250 was approved by the Adams County court this morning following a hearing in the court room.

Harold F. Weaver, son of George R. and Edna Elmira Weaver, was injured last August near Heidlersburg when Weaver and another youth on a bicycle were involved in an accident with a Buch Express truck operated by Runkle.

Following medical testimony as to the injuries to the youth and testimony as to the expenses to the parents, a settlement was permitted by which the parents will receive \$1,172.12 to cover their expenses in the treatment of their son while the youth, Harold F. Weaver, received \$3,077.88 which will be paid to the First National Bank of Gettysburg, appointed by the court, at his and his parents' request, as the guardian for the youth. According to the terms of the settlement, all costs will be paid by the defendants.

Hearing Another Case

Y., and Cella Patsarikas as administrator of the estate of Thomas Patsarikas, against Bessie Emmanuel, Gettysburg R. 4, administrator of the estate of Dale Leroy Carter. Adenauer Says Red Tactics More Dangerous Than Ever

NEW HAVEN, Conn. (AP) — West German Chancellor Konrad Adenauer called on the West today to relax "even for one moment" its vigilance in the face of current friendly talk from Soviet Russia. Adenauer called the present tactics "more dangerous than the former aggressive conduct" of the Kremlin.

He said the men in the Kremlin "are still not prepared to remove the main causes of the tension of the world."

At Yale Luncheon
Adenauer's remarks were in an address at a luncheon given in his honor by the board of governors of Yale University.

Earlier in the day, he received an honorary degree of doctor of laws during Yale University commencement exercises.

Adenauer, on a week's visit to this country, arrived here by auto from Greenwich, Conn., last night.

"His temperature is 99.2, respiration 20, pulse 88, blood pressure 130 over 80."

"His general condition is excellent."

Eisenhower walked for the first time yesterday — a distance of about 30 feet, with two hospital aides partly supporting him — only 30 hours after undergoing major surgery.

Langsam, University of Cincinnati president, announced today he had accepted a State Department invitation to make a summer European lecture tour as a United States specialist in history. After three years as president of Gettysburg College, he left last summer to become president of Cincinnati.

Leaving Cincinnati June 17, he will fill approximately a dozen engagements in Italy and West Germany. He will spend next Monday in Washington, D. C. for State Department briefing, then go to Italy.

Mrs. Langsam will accompany him. They expect to return around July 31.

To Speak In Italy

During a five-day international congress opening June 21 in Florence, Italy, he will speak on the topic "The Impact of Christianity on Our Civilization."

During the period June 28 - July 13, Dr. Langsam will lecture at these German universities: Bonn, Heidelberg, Freiburg, Stuttgart or Karlsruhe, Munich, Marburg, Hannover or Göttingen, Berlin, and Hamburg.

In addition to his formal lecture at Heidelberg, he will participate in a one-day seminar there on liberal arts studies. His three days in Munich include a formal lecture and participation in a special municipal celebration in his honor and in recognition of the fact that Munich and Cincinnati are "sister cities."

Dr. and Mrs. Langsam will return by way of Paris, England, and Scotland.

To Lecture In German

His lecture at the Florence congress will be delivered in English. His lectures at German universities will be in German and will include these topics:

FUNERAL TUESDAY

Funeral services for Miss Ellen Brough, 80, a native of Adams County, who died Friday at the Quincy EUB Home, will be held Tuesday morning at 10 o'clock at the Bender Funeral Home, Carlisle St., with the Rev. Earl Redding, Hagerstown, officiating. Interment will be in the Biglerville Cemetery. The date for the funeral was incorrectly announced Saturday.

Adenauer Says Red Tactics More Dangerous Than Ever

He was guest of honor at a private formal dinner given by Yale President A. Whitney Griswold and spent the night at Griswold's residence.

In his luncheon speech the Chancellor said:

"Throughout the world, the Soviets aggravate existing conflicts and endeavor to undermine the West's position in an unscrupulous manner. Above all they want to smash first the mighty protective shield of the North Atlantic Treaty Organization and to drive the United States from Europe so that Europe will fall like a ripe fruit into the Soviet lap."

HONOR GUARD TO MEET

The Honor Guard of the Albert J. Lentz American Legion Post will meet tonight at 8 o'clock at the post home, Baltimore St., Post Commander Richard Fox has announced.

Today's medical bulletin was read to reporters by Miss Mary Caffrey, secretary to White House press secretary James C. Hagerty.

Reports Wrong Temperature

Miss Caffrey unwittingly caused a flurry among newsmen by announcing Eisenhower's temperature as 89, which would be dangerously below normal.

She quickly rechecked with Maj. Gen. Howard M. Snyder, the President's personal physician, and discovered she had made an error in her shorthand notes.

The 99.2 figure which was announced as Eisenhower's correct temperature, is six-tenths of a degree above normal, but physicians do not usually rate anything less than a full degree above normal as a "fever."

SETTLEMENT OF

(Continued from Page 1)
The testimony will continue this afternoon.

Divorces were granted to Virginia Oille (Musselman) Cline, Iron Springs, from Oliver Lawrence Cline, Waynesboro R. 4, and to Janet Louise (Shultz) Sheppard, Orrtanna R. 2, from Edgar Filmore Sheppard, also of Orrtanna R. 2.

Appointed Master
Attorney John A. MacPhail was appointed master in the divorce action brought by Ottilia (Kissinger) Baum, Baltimore St., against Carl Albert Baum, Gettysburg.

A petition for a writ of habeas corpus submitted by William Metz, Waynesboro, in a move to gain release from the Allegheny County workhouse was dismissed. Metz was sentenced November, 1954, to serve from 1 1/2 to 3 years in the workhouse on a morals charge.

Metz had asked the state parole board for a parole at the expiration of the 1 1/2 years of the sentence, but was refused. The court in dismissing his appeal held that the state parole board has exclusive power to parole all persons sentenced by any court in the state for a maximum term of two years or more.

Explains Sentence

The court added: "The imposition of a minimum and a maximum sentence as required by statute in certain cases, causes confusion in the minds of most prisoners who consider that they are not to serve more than the minimum term stated. Actually a sentence for an indefinite term (maximum and minimum) is deemed to be a sentence for a maximum term. The minimum sentence is merely administrative notice by the court to the parole board calling attention to the legislative policy that when a man's so-called minimum sentence is about to expire, the question of grace and mercy ought then to be considered and the propriety of placing the prisoner on parole determined."

Additional trespass actions are scheduled for argument this afternoon, along with disposition of nine non-support cases and six prisoners who are awaiting sentence.

Thirteen accounts in estates were before the court this morning, with 12 confirmed. The second and final account of Attorney Donald P. McPherson Jr., executor of the will of Miss Ella Gilliland, late of Gettysburg, was approved. It listed \$28,767.20 to be turned over to the Gilliland Presbyterian Home here. Other amounts and bequests and distribution had been handled in the first account of the estate approved some time ago.

Accounts Confirmed
A \$100 bequest to the Gettysburg National Bank as trustee of the Pines Cemetery Association was contained in the account of the Gettysburg National Bank and Emma M. Brinkerhoff, co-executors of the estate of Clarence P. Brinkerhoff, late of York Springs. The remainder of the \$12,075.71 estate goes to the widow, Mrs. Emma M. Brinkerhoff. A \$100 bequest to the Society of the Propagation of the Faith, Carlisle, is listed in the account of Mary Ramer Eberhart, executrix of the will of Laura M. Altoff, late of Gettysburg. The total amount for distribution is \$9,384.17 going to relatives and friends of the deceased.

Other accounts approved and the amount for distribution included: Romaine L. Pittenturf, administrator of the estate of Roy A. Knouse, late of Huntingdon Twp., nothing; Gettysburg National Bank, administrator of the estate of Jessie E. Cline, late of Menallen Twp., \$1,624.76; Gettysburg National Bank, executor of the estate of Robert S. Myers, late of Gettysburg, \$3,659.41; Lucetta F. M. Joy Twp., \$10,005.14; Nora Steiffer, executrix of the will of Emma Warren, late of Arendtsville, \$1,189.25; Littlestown National Bank, administrator of the estate of Peter B. Shriver, late of Littlestown, \$7,990.24; Littlestown National Bank, administrator of the estate of Malcolm A. Miller, late of Mt. Joy Twp., \$3,389.24.

Ike's Recovery Cheers GOP; Dems Ponder Harriman Entry

By THE ASSOCIATED PRESS

Republicans took comfort from cheering medical reports on President Eisenhower today, while Democrats considered the effect of Gov. Averell Harriman's week-end entry in the presidential sweepstakes.

There was no hint from Eisenhower himself on how his sudden intestinal blockage and speedy surgery might affect the decision to run again made after recovering from his Sept. 24 heart attack. Republicans seized on a medical forecast of "rapid and complete recovery" as an indication Eisenhower would lead the party again. Democrats expressed happiness at the apparent success of the operation, but some took up the "part-time President" theme again.

Stevenson Not Surprised

Harriman abandoned his self-styled "not an active" candidate status. The front-running candidate for the Democratic nod, Adlai Stevenson, said Harriman's entry was no surprise to him. Stevenson said Harriman "has been an eager and active candidate since last fall."

The chief surgeon at Eisenhower's pre-dawn emergency operation, Maj. Gen. Leonard D. Heaton, said he "certainly" saw no reason Eisenhower should not run again.

Sen. Mundt (R-SD) called it "great news . . . I don't think there is the slightest doubt he will be nominated again and that he will win in November."

Sen. Kerr (D-Ola.) expressed hopes for a speedy recovery, then added: "The country has suffered enough under a part-time chief executive. We know we cannot hope for security and stability in the future on such a basis."

Foes Are 'Fine Men'

There were indications Eisenhower would refrain from any quick statement on whether he will tell the American people "instantly" if he ever feels he is not up to another four years in the presidency.

Harriman declined to criticize or discuss his Democratic opponents—Stevenson and Sen. Estes Kefauver. He described both as "fine men."

Harriman told his questioners he felt he would be a better candidate for the Democrats because he could "give the kind of leadership necessary to win" not only the election but the war of ideas with communism.

Wants Senate Post

In other weekend developments, Sen. Wiley (R-Wis.) said he has "no other desire or ambition" but to remain in the Senate. Wiley was rebuffed by a homestate GOP convention which endorsed Rep. Glenn Davis for the Senate seat last month.

Wiley denied what he said were Washington reports that he would abandon the race for a judgeship or ambassadorial post. The veteran Wiley is an ardent supporter of the Eisenhower administration.

In Chicago, the Socialist party renominated its 1952 candidate—Darlington Hoopes of Reading, Pa., for president and S. H. Friedman of New York for vice president.

"BURY YESTERDAYS"

I do believe and always will . . . that we should put away . . . the fears and tears that came to pass . . . when it was yesterday . . . I am convinced beyond a doubt . . . that once a grief is done . . . we're better off forgetting it . . . to view a brighter sun . . . of course, at times, we do regret . . . what happened in the past . . . but memory just serves to make . . . the pain and torment last . . . the only thing for us to do . . . is profit from our mistakes . . . by doing this we live and learn . . . to detour mental breaks . . . for those who dwell on things gone by . . . are on a bumpy track . . . if only they would realize . . . the past cannot come back . . . the present looms before us . . . we face its grueling task . . . so we should bury yesterdays . . . because it's for the best.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Gettysburg: Omnibus Coaches—We would call attention to the advertising of Mr. Steiger, of Washington, for the sale of Second-hand Coaches. There is certainly a bargain to be had by any one needing articles of that kind—as they will be sold at one-third the cost of new ones. Mr. S. having declined the business.

Godley's Lady's Book, for July, is already on our table. Its embellishments are very numerous, and the Ladies, for whom they are particularly intended, all agree that they are pretty and useful. One evidence of the popularity of the "Book" is, that the Ladies are all very anxious to take a peep into it.

Keep No Impurities On Your Premises: The following seasonal advice we copy from a contemporary: Be careful to keep on your premises nothing that will taint the atmosphere, or cause annoyance to your neighbors. No decaying animal or vegetable matter should be permitted to remain an instant in any building or yard, in densely populated localities. Warm weather is rapidly approaching, and health is easily affected in summer by a vitiated atmosphere—Keep your premises clean and well purified, and you keep infectious disease at a distance.

Ever Green Cemetery: We have been shown the Book of Permits, which is now used in connection with interments at the Cemetery. It introduces complete system, avoids all confusion and annoyance to friends, and at the same time furnishes an interesting and permanent record of the name, age, nativity, disease, death, and time and place of interment of the deceased. We observe, also, that the construction of the Walk is being pressed vigorously forward.

SEVENTY-FIVE YEARS AGO
Local Items: Littlestown has two Insurance Companies.
Bass fishing is in order, but we have not heard of any large catches as yet.

Chambersburg thinks of introducing the electric light to illuminate its streets.

It is reported that Gen. Bradley T. Johnson and Gov. Holliday will visit Gettysburg this week to remove the rebel dead recently found on the farm of Mr. Gelbach. The contract for building a bridge at Lower's mill was last week awarded to Mr. J. M. Pittenturf, the lowest bidder, at \$1,443. The public road has been changed to secure a better bridge site.

By the death of Andrew Humrick, aged 89 years, it is said that about \$160,000 insurance money will be claimed by policy holders in the neighborhood of Emmitsburg, Md., from a number of insurance companies.

Eclipse: The eclipse of the moon on Saturday night or, rather, Sunday morning was witnessed by a large number of citizens of town. The event was celebrated by rockets and fire-works, and for some time the town was very lively.

Personal: Rev. Dr. Hay, Prof. E. S. Breidenbaugh and David A. Buehler, Esq., are in attendance at the General Synod now in session at Altoona, Pa. The Synod handsomely complimented Dr. Hay by electing him President.

Rev. Dr. Jacobs is attending the meeting of the Pennsylvania Ministerium in session at Pottstown, Pa.

Rain Fall: There was a very heavy rain-fall last week and all the streams in the county were very much swollen, but we have not heard of any special damage being done. Prof. Bickle informs us that the rain-fall in Gettysburg since July 1st, 1880, amounts to 33.4 inches, of which 3.6 inches fell since June 1st. The average annual fall in Pennsylvania is 40 inches. Consequently if the weather is to reach its average it will be very damp between this and July 1st.

Since writing this we learn that

Today's Talk

FORWARD — TO NEW
TOMORROWS

One comforting thought is that we can forever look forward to better — and new — Tomorrows! Many of the days through which we live may seem like something scrambled, indefinite and full of questionings. But let us look forward and bear in mind that the new Tomorrow is sure to follow Today and it can be a better one!

Out of the chaos of Today are ideas, new resolves and new purposes. From today we gain experience, often baffled and tossed in mind, but a little gained each time to piece into the fragment of the new Tomorrow. Each milestone should be marked with that inspiring word—Forward!

Mistakes? We are forever running into them, but each has its lesson, each its spiritual nourishment. Each day we can select from each experience the best things learned, scrap-book them for Tomorrow's review. Benjamin Franklin wrote a little book into which he kept daily his gains or losses. This is what constantly inspired him to keep going forward. It's the best things that we should remember.

I have lived through the most progressive period of American history. None of us knows what the immediate Tomorrows will bring forth, but we hope and pray they may be full of cheer and hope, and that they may be Tomorrows of peace and good will binding the nations in an organization of friendship rather than one of strife and hatreds.

What a look forward is being celebrated in the springing up of useful Foundations, initiated by the Ford, Colgate, U. S. Steel, and others! These wonderful benefactions to colleges and hospitals would have been looked upon as mere dreams fifty years ago. Today they are the harbingers of our new Tomorrows!

Tomorrow Mr. Adams will talk on the subject: "Never Desert a Friend"

Just Folks

SEE IT THROUGH

When the cards were dealt and his hand was bad
There was never a sign on his face to show
That he couldn't win with the trumps he had,
And he never kicked when his score was low.

When luck wasn't coming his way at all
He stuck to the game and he saw it through;
And many a time, when his chance seemed small,
He walked away with a trick or two.

Life deals the cards in the self-same way,
And after the trumps that we draw are few.
But we cannot win if we do not play,
And our only chance is to see it through.

Sunday-School Organized: The Sunday-school at Conewago Chapel was started on Sunday, under the direction of Rev. Father Flannigan S. J., with upwards of 500 scholars in attendance. Teachers were appointed and lessons assigned, and the school will be productive of much good. In the morning, the Sodality established at that place approached Holy Communion in a body for the first time—350 in number. Our Conewago correspondent says it was an edifying sight to witness the young ladies and gentlemen move forward in regular order, reserved and collected, and one that fully repaid parents for any sacrifice they may have made that their children might belong to this commendable institution. Seven Killed On Highways And 4 Drown In State Over Weekend

By THE ASSOCIATED PRESS

Accidents took 15 lives in Pennsylvania over the weekend.

Seven of the deaths resulted from highway mishaps and four were drownings. One person lost his life in a plane crash, another was killed by a train, a third fell to his death from a roller coaster and another was crushed to death.

The worst accident occurred Saturday night in Philadelphia when an automobile and a trolley collided at an intersection and the car's gasoline tank exploded after it veered into two parked, but unoccupied automobiles. Three passengers in the wreckage and burned to death.

The victims of the crash were Vincent Criscavach, 27, and William P. Heffernan, 47, both of Levittown, Pa., and Michael Beade, 53, of Burlington, N.J. The driver, Lemuel Gallagher, 48, also of Levittown, was thrown clear but suffered serious injuries. Although the trolley was partly derailed none of its occupants were injured.

Sunday Fatalities

A small plane rented at the Forty Fort Airport clipped a tree shortly after taking off last night and plunged into Lake Sikowick, killing one of its occupants and critically injuring the other. The body of Robert Davies, 32, of Forty Fort and Philadelphia, was recovered from the lake shortly after the accident. Rescued from the wreckage, in three feet of water, was Virginia Piskorik, 19, also of Forty Fort and Philadelphia. It could not be determined immediately which was the pilot.

Harry Smith, 34, of Lancaster, drowned late yesterday in the Susquehanna River off Johnson's Island, 20 miles south of Lancaster. He had been swimming from a motorboat when he suddenly shouted for help and disappeared.

Crash Retaining Wall

A West Philadelphia man was killed and two other persons were badly hurt when their car crashed through chain guards and into a retaining wall of the Delaware River bridge. The victim was Walter Barrett, of Philadelphia, driver of the car.

Saturday fatalities: Mrs. Laura Ann Ruffing, R. 1, Portage, Cambria County, toppled from a bridge on Route 53 into Little Conemaugh Creek and drowned. Members of her family reported Mrs. Ruffing, 64, was subject to dizzy spells.

A 7-year-old boy drowned in the Schuylkill River at Philadelphia when he fell off a makeshift raft he had found at the river's edge. The victim, Marion Gnotek, drifted into mid-stream and apparently

MORE ELIGIBLE FOR SALK SHOTS

HARRISBURG (AP)—The State Health Department today broadened the age group eligible to receive Salk antipolio vaccine in Pennsylvania because of an increased supply of serum.

Secretary of Health Berwyn F. Mattison said the availability of 1,017,504 additional doses of vaccine will enable the granting of vaccinations to persons 19 years old and younger and pregnant women.

Previously only children 14 and under and pregnant women were eligible.

In authorizing use the vaccine to older children, Mattison said: "We suggest that the needs of some individuals in the 15-19 age group must be considered most urgent. We are thinking of those youths who will change environment during the summer and early fall, such as those who will be attending camps, young people entering nursing training and those who will be entering college."

OMAHA (AP)—Mrs. Albert A. Oruch may have thought her husband of 20 years had forgotten their anniversary. Far from it.

When she did get her present it left her speechless.

Albert paid public tribute to his wife in Thursday's Omaha World Herald via the personal column of the want ad page.

Mrs. Oruch read her tribute in the paper.

This is what she read: "I am responsible for all debts and obligations of my wife, Rose. I am extremely happy to be the provider for this lovely woman who has borne me two wonderful children.

"With an over abundance of love, understanding and care, she has made the past 20 years the nicest years of my life. On this, the week of our 20th anniversary, I wish publicly to express my gratitude."

Mrs. Oruch's reaction, "Speechless," she said.

Oruch's reason for this manner of tribute? He said he hit on the idea because he was "tired of reading and hearing about people getting divorces, being responsible for the debts of their wives and husbands."

Musial Helps Cardinals To Divide Double Header With Pittsburgh; Cubs Grab Two

By JOE REICHLER
The Associated Press

If Stan Musial would hit every day as he does on Sundays and if Herm Wehmeier could pitch against every club as he does against Pittsburgh, the St. Louis Cardinals would be a cinch to win the National League pennant.

Yesterday Musial cracked four hits, including a home run and a double, and drove in four runs as the Cardinals earned a split with Pittsburgh that cut Cincinnati's first-place margin to 3 percentage points.

Wehmeier, who hasn't been able to beat anybody else all year, shut out the Pirates 3-0 with six hits after they had won the open 11-3. It was his second victory of the season, both over the Pirates, over whom he holds a lifetime record of 25-4.

Musial, a .320 Sunday hitter — 20 points better than his weekday average — has hit half his eight homers and has driven in a third of his 42 runs on Sundays.

Five Cubs Benched

Five National League teams are so closely bunched today a pennant would cover them all. Brooklyn, in fifth place, moved to within two games of the top by defeating Cincinnati 8-6. Pittsburgh, in first place for a couple of hours after its opening triumph, dropped into third place, a half game behind Cincinnati and St. Louis.

The New York Giants came from behind to nip the fourth-place Braves 5-3, leaving them still two games off the pace, only 7 points in front of the Dodgers. The Chicago Cubs buried the Philadelphia Phillies deeper in the basement, sweeping both ends of a double-header, 2-1 in 11 innings and 8-2.

Yanks Blank Tribe

The New York Yankees salvaged the finale of their three-game series with Cleveland, blanking the Indians 6-0. Chicago's third-place White Sox climbed to within half a game of the Indians with a 3-2 triumph over Boston. Washington triumphed Detroit out of a fourth-place tie by vanquishing the Tigers twice 6-5 and 12-9 while Kansas City snapped Baltimore's four-game winning streak with a 7-3 victory.

A pair of former Redbirds — southpaw Luis Arroyo and outfielder Bill Virdon — came back to haunt the Cardinals in the opener. Arroyo, traded to Pittsburgh earlier this year, held his former mates to seven hits and fanned five. Virdon, along with Gene Freese and Lee Walls, homered for the Cubs.

Bums Beat Redlegs

Brooklyn slashed five Cincinnati hurlers for 15 hits, including home runs by Randy Jackson and Charley Neal. Jackson batted in four runs as Ed Roebuck registered his first victory of the year, in relief.

Blanked by Warren Spahn for six innings, the Giants erupted for four runs in the seventh that cost Spahn his fifth successive defeat. Foster Castleman's three-bagger — while trying to duck a pitch — highlighted the rally which gave Johnny Antonelli his fifth triumph, in relief.

Eddie Miksis and Pete Whisenant teamed up to hand the Phils their double loss. Whisenant doubled and scored on Miksis' single in the 11th inning of the opener. Eddie also drove in the other Chicago run. Whisenant batted in three Cub runs in the nightcap with a single and double.

Lemon Loses Third

Johnny Kucks threw the shut-out against Cleveland although he yielded nine hits and walked four. A home run, double and single by Billy Martin and Joe Collins' pinch hit home run with two on combined to hand Bob Lemon his third loss against seven victories.

Billy Pierce, off to his finest season in nine years, stopped Boston with six hits for his eighth victory in 10 decisions. The White Sox capitalized on a break to score all three runs in the fourth. After Nellie Fox's pop fly fell safely for a double, successive singles by Minnie Minoso, Larry Doby and Dave Philley followed. A forceout brought in what proved to be the run that gave Pierce his 102nd American League victory.

Orioles Are Defeated

Enos Slaughter doubled in the tie-breaking run as a pinch hitter and the Athletics went on to defeat Baltimore and end their five-game losing streak.

Outfielder Jim Lemon rapped his third hit in the ninth inning of the opener, a single that drove in the tying and winning runs for Washington, then homered with one on in the first inning of the second game.

Pete Runnels collected six hits and drove in five runs for Washington.

The three top teams in the South Penn Baseball League won victories Sunday afternoon in free-scoring games.

Bendersville's unbeaten league leaders won their eighth straight by leading invading Bonneauville 10-1 as Ken Black scattered nine hits and struck out 11.

In the third inning Bendersville tallied three times which was enough to win. After one was out, K. Black was safe on an error. M. Kime tripled and D. Kime doubled. Decker popped out but R. Cluck doubled D. Kime home.

Black was the victim of an unearned run in the seventh which prevented a shutout. Claybaugh led off and reached first base when the third strike escaped the catcher. The next two batters fanned. Claybaugh stole second base from where he scored on Sneringer's single.

Wins On Rally

Second-place Mummasburg came from behind with five runs in the last of the eighth inning to top Littlestown 11-7. The runs came on a combination of hits and throwing errors.

A bases-loaded homerun by Kump, Littlestown second baseman, enabled Littlestown to hold a 7-6 lead before Mummasburg came up with its winning rally.

Brushtown took over sole possession of third place by topping Greenmount 8-4 on the Brushtown diamond.

Hunterstown downed Harney 7-3 on the latter's field. It was the eighth straight reverse for Harney.

MANGRUM PICKS GENE LITTLER TO SNARE OPEN

By HUGH FULLERTON JR.
NEW ROCHELLE, N. Y. (AP)

After the fourth round of the Round Robin Golf Tournament, Lloyd Mangrum looked at Gene Littler, who had just beaten him on his best round of the tournament, and remarked:

"I've got to go with you for the Open. I picked Cary Middlecoff, but you're playing well and you've got things going for you. You're playing in luck."

Mangrum reiterated that idea after Littler had won the top money yesterday in a 24-point runaway. Littler said he felt "pretty good" about his prospects in the Open, which starts Thursday at Rochester's Oak Hill Club.

The usually silent Littler was almost voluble after picking up his second big check in two weeks. He collected \$5,778.50 for a second-place tie in the Texas International after losing a playoff to Australia's Peter Thomson. Then he earned \$3,000 more here by shooting five straight sub-par rounds over the hilly, par-72 Wykagyl course.

Leads All The Way

Leading all the way after the second round, Littler shot 69-68-70 for a 344 medal score. He hit a near record total of plus 56 points in the Round Robin scoring system, which awards points for each stroke by which a player beats the others in his foursome and subtracts points for losing scores.

Nearest to him was Ted Kroll, the iron-shot specialist from Fort Lauderdale, Fla., who trailed by only two strokes in scoring but who gathered only 31 points. Kroll's bid was thwarted largely by lanky Art Wall of Pocono Manor, Pa., who fired a 69 against Kroll's 71 on the last round. Dow Finsterwald of Bedford Heights, Ohio, plus 27; Jackie Burke, the Masters champion from Houston, plus 13, and ruddy-faced Billy Maxwell of Odessa, Tex., plus 11, were the other point leaders.

Georgian Captures Sunnehanna Tourney

JOHNSTOWN, Pa. (AP) — Gene Dahlbender, an Atlanta, Ga., businessman, fired a three-under-par 33-36-69 in the final round yesterday to win the Sunnehanna Invitational Amateur Golf Tournament with a record total of 276.

Dahlbender, 32-year-old former professional, surged to victory in the 72-hole medal play tourney as Billy Hyndman faltered after leading through 54 holes. Hyndman, 40, of Philadelphia, finished second with 281.

Dahlbender's total was four strokes better than the tournament mark of 280 first set by New York crooner Don Cherry in 1954 and matched last year by Hillman Robbins Jr. of Memphis, Tenn. and matched last year by Hillman Robbins Jr. of Memphis, Tenn. Neither competed this year.

Bobby Brownell of Washington and Dr. Ed Updegraff of Tucson, Ariz., tied for third at 282. The fifth spot went to Jack Nicklaus, 16-year-old Columbus, Ohio, high school junior who carded 286.

FRANK LANE IS SATISFIED WITH PLAYER TRADES

ST. LOUIS (AP) — Trading wizard Frank Lane scoffs at the idea he's lost his touch because former St. Louis Cardinals players have come back to haunt the Redbirds.

The energetic general manager, conceding the growing legion of onetime Cardinals has given the club trouble, declared last night: "I'll stand on my record so far this year. We're tied for first place now. At this time last year we were 17½ games out, tied for fifth."

"I'm not concerned with the players we've given up, but rather with the men we received."

"The St. Louis fans don't think I've lost my touch. We had this season's record crowd Sunday, (obtained from Philadelphia in one big trade) got a big victory for us. The fans are all steamed up..."

But the Redbird fans, some of the most loyal in baseball, did grumble when their club fell before ex-Cardinals.

Luis Arroyo, stubby Latin left-hander, dealt them an 11-3 defeat in the first game yesterday and Bill Virdon's seventh-inning homer broke a 3-3 tie for the Pirates.

Harvey Haddix and Stu Miller, traded to Philadelphia for Murry Dickson and Wehmeier, both defeated the Cardinals here to help the Phils take three games of a four-game set.

Brooks Lawrence, big right-hander traded to Cincinnati for little left-hander Jack Collum, has become the big man of the Redleg staff.

But Lane declared: "We're not suffering."

He points out Haddix lost to the Cardinals once and Arroyo hasn't been outstanding in other outings. Virdon, he asserted, hasn't hit as well for the Pirates over-all as Bobby del Greco, sent here with left-hander Dick Littlefield in another transaction.

Summiteers Triumph

Blue Ridge Summit kept right at the heels of Cashtown with a 9-2 victory at Taneytown.

All of the scoring was packed into the first four innings as Emmitsburg took a 7-6 decision at Fairfield.

Four runs in the third inning turned the trick for Emmitsburg. Each team secured 10 safeties, Boyle collecting four hits for the winners while R. Welkert pounded a single and double and J. Welkert two triples for Fairfield.

The victory lifted Emmitsburg into a tie for seventh place with New Windsor who lost a 13-0 verdict to New Oxford.

CHARGES STATE WITH "UNDUE" INDUSTRY TAX

PITTSBURGH (AP)—A spokesman for Westinghouse Electric Corp. says the company believes Pennsylvania undue taxes industry but that Westinghouse has no policy not to build in Pennsylvania.

Gordon Garnhart, director of real estate and insurance for the company, was critical of Pennsylvania's tax structure in a speech at Boston last Tuesday. He pointed out that Westinghouse recently has made plans to build plants in Dover, N.J., and Bloomington, Ind.

"Important Factor"

Garnhart, in a statement here Thursday night, declared:

"Taxes are an increasingly important factor in our plans but they are not the sole consideration. We have never said we would not build any plants in Pennsylvania at any time in the future."

In his Boston speech, Garnhart said he was highly critical of a ruling several months ago by John Torquato, Pennsylvania secretary of labor and industry. He said he described as "fantastic" a ruling by Torquato that some Westing-

house employees were entitled to unemployment compensation during part of a recent strike. That ruling has been appealed to the courts.

Comments On Plans

Commenting on Westinghouse expansion plans, Garnhart added in his statement:

"We are making no surveys now for manufacturing sites in Florida. A site for a new plant in a Southern State is under consideration but no decision has been made." He did not identify the state.

Garnhart, in his Boston speech, declared the 1954 Pennsylvania tax cost to the company, including unemployment compensation fund payments, amounted to 2.36 per cent of its average investment in tangible property. The similar tax in Ohio totals 1.46 per cent, he said.

Come From Taxes

Garnhart also said in his speech that 49 per cent of Pennsylvania's general fund revenue, excluding motor vehicle and other highway levies, comes from direct business taxes. He said that compares with 26 per cent in Ohio, 23 per cent in California and 25 per cent in Maryland.

Despite what he described as unfavorable tax rates in Pennsylvania a Westinghouse spokesman emphasized there are many factors involved in locating a plant and expansion plans are deter-

SOVIET VETERAN QUILTS KEY POST AS LABOR HEAD

By STANLEY JOHNSON

MOSCOW (AP)—Deputy Premier Lazar Kaganovich, last of the old Bolsheviks to hold a top policy-making job in the Soviet Union, quit Saturday as head of the key Soviet Labor and Wage Committee.

The 63-year-old Ukrainian who rose to prominence as a politburo organizer under Stalin, had long been considered the Soviet Union's ace labor trouble shooter. There was no immediate indication why he quit his job.

Only last February he announced before the Supreme Soviet a sweeping wage and incentive program for Soviet workers.

Second Veteran

He resigned just eight days after another veteran Bolshevik, V. M. Molotov, gave up his long-time tenure as Soviet foreign minister.

Kaganovich, the only Jew among the present top Kremlin brass, apparently holds onto his mined on the individual status of a plant.

post as first deputy premier, as does Molotov.

The Communist party organ Pravda announced Kaganovich's resignation in a terse, two-paragraph notice on a back page. It said he will be succeeded by Alexander Petrovich Volkov, chairman of the Soviet of the Union—a chamber of the Soviet Parliament—since 1954.

Began As Cobbler

Volkov headed a Soviet delegation which recently visited the African Republic of Liberia to offer Soviet aid. The Monrovia government turned down the offer.

Kaganovich, who began as a cobbler's apprentice, was named last November to make the chief of the Russian revolution. In his speech he hailed the Soviet Union's progress under communism, but reproved Soviet workers for not making greater strides.

His most recent public speech was made before the Supreme Soviet in February. At that time, he said the Soviet Union's labor and wages policy was "all tangled up." He promised to review wages and incentives to keep production moving.

Walter Neusel of Germany once received only \$3.19 for a main bolt in Madison Square Garden. His rival, Ray Impellitteri, got a \$5,000 guarantee.

RESIDENTS BUY MIFFLINBURG'S BANKRUPT FIRM

MIFFLINBURG, Pa. (AP)—A group of residents of this Union County community has purchased the bankrupt plant of the Mifflinburg Body Works but they're keeping quiet on their plans for its use.

The Reconstruction Finance Corp. reported from Washington on Thursday that the plant had been purchased for \$125,000 and a new firm had been formed known as the Mifflinburg Industries, Inc.

The sale climaxes about four years of effort by the RFC to find a buyer for the plant it took over four years ago after the firm went into bankruptcy.

The RFC had loaned the firm \$300,000 about a year before it went bankrupt.

Ruhl Mitchell, speaking for the Mifflinburg Industrial Committee, confirmed that the group had purchased the plant but declined to say what plans it had for using it.

"We have nothing at all to say further about this purchase," Mitchell said.

He told a newsman, "We (the committee) have been hurt be-

fore by publicity getting out before we were ready."

Mifflinburg Burgess Harry W. Klose said the plant had employed about 350 persons during its peak World War II production years. "Most of the former employees are ready to come back to work in the plant if it opens up," he said.

The former employees, he explained, are now working in neighboring communities.

Asked specifically if the money for the purchase was raised by a community canvass, Mitchell said:

"I am not going to say a word about that."

He admitted however, that the purchase was made by the committee composed of leading citizens of the community and that they have some idea of selling the plant to some firm.

The RFC said the purchase was made in cash.

Automobile bodies were formerly manufactured at the plant and defense materials were produced during the war.

Letter to the Editor

June 8, 1956
 Mr. Paul L. Roy,
 Editor, Gettysburg Times,
 Gettysburg, Pa.
 Dear Mr. Roy:

I read your article about the Mexican Dagger Flower in the June 7th issue. Correction please, I too have such a plant. It is not as tall as Mr. Sachs' plant, but very pretty when it blooms, which is around late July.

Just thought I would take this means to let you know there is another one of the plants in Pennsylvania.

Yours sincerely,
 Mrs. Roy P. Duvall
 R. 2, Fairfield, Pa.

DISLIKES OWN COOKING

KINGSTON, R. I. — Sara E. Coyne, associate professor of home economics at the University of Rhode Island for 31 years, confesses she'd rather eat than cook for herself. In announcing her retirement she said she prefers eating in restaurants because "it's not practical to cook for oneself—especially doing the dishes."
